OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 21 August 1963

25X1 1. [] CDC, advised that DIA had
informed him that they had no objection to [] appearing before
25X1 the Senate Internal Security Subcommittee but would prefer this be
done after [] has been in the country for a short period of time
25X1 and has had time to "get his feet on the ground." I asked Mason if
25X1 DIA had any objection to our informing the Subcommittee staff of the
fact of [] presence in the U.S. and of the fact that except for
25X1 handling his acclimation to the U.S., he was under the control of the
DIA. [] said DIA had no objection to this.

25X1 2. [] William Redford, Biographic
Register, called to say that Ambassador Thompson's office has asked
BR for reports on fifty Soviets whom Senator Fulbright met at the
Moscow reception involving the test ban treaty. Pursuant to established
procedures, BR will provide this material to Thompson. Redford merely
wished to alert us to the request.

25X1 3. [] Talked with Jim Gartland, in the office
of Senator Thomas J. Dodd, concerning a letter forwarded by their
office from a maritime captain offering his services to the Agency.
I told Gartland that I had asked our people to contact this individual
pursuant to the Captain's request. I advised Gartland I would let him
know when this contact had been made. I also thanked him for forwarding
this item to us.

25X1 4. [] Met with Mr. Francis McNamara,
25X1 Staff Director, House Committee on Un-American Activities, concerning
the [] case. Mr. McNamara has discussed it with the Chairman,
Mr. Francis E. Walter (D., Pa.), and will try to schedule an interview
with the staff for some time next week and a probable brief appearance
before the Committee during the second week of September. I will
discuss the details further with Mr. McNamara tomorrow, August 22.
